ABOUT US

We notice soaps that are available in the market are nothing more than **Zhaag** (simply lather) & fully loaded with Harsh Chemicals Like **SLS, Paraben, Phthalates** causing more problems than they resolve for your skin. That's why we decided to create a soaps that not only smells amazing but also delivers genuine results. And that's how GharSoaps was born! And growing each & every day by proving its worth with undeniable results.
